'The Best That We Can Be.'

Thank you to everyone for a great term at Sandown Primary School. The Home Learning Celebration was the best ever. The quality and quantity of the home learning showed a real improvement in behaviours' for learning and independence of the children. Well done and thank you to Mrs Jenks and Mrs Sully for organizing all the rosettes and certificates. Please see the photos below.

We also had a really well attended reading and phonics session in school this week. More than twenty parents attended and we will follow this up with a maths session to help support parents with the school's methods. If we all work together than we will achieve the best that we can be.

Miss Winchester and Mrs Earley have put in a lot of time and effort with the Shrekettes group. They were fantastic performing at the White Rock this week
