'The Best That We Can Be.'

The Summer is here so don't forget to put on your sun cream. I even swam in the sea myself last weekend. This term is full

of activities for us all to get involved in, which will 'bring home and school together.'

We are all very proud of the children and our community after our recent [Ofsted report](#). We are now well on our way to becoming officially good, so I would like to say thank you to everyone who has supported the school over the last 3 years.

Sports Week

Sports week is next week! We have teacher / parent races too so don't forget your PE Kit mums & dads!

Rec, Yrs. 1&2 - Monday 16th morning only

Yrs. 3 & 4 - Tuesday 17th all day

Yrs. 5 & 6 - Wednesday 18th all day

Parents are welcome to come with packed lunches to sit with children on the field during lunch break as sports will continue after registration.

Yrs. 4 & 6 have a Tennis Day on Thursday 19th

We will then finish the week off by taking part in Town Sports on Friday 20th.

Please make sure children come prepared with their PE Kits, drink and sun wear/cream hoping it'll be a nice sunny day.

New Parents Meetings

We would like to invite any new reception parents with children due to start in September to our meetings on either Tuesday 17th or Thursday 19th June at 3.15pm. See you there!

Behaviours for Learning

The children in our school council have put together a set of rules which link into our 5 Sandown vision principles - shown right.

They want us to be outstanding which is showing our shared view of 'High Aspirations'.

We would like all parents to give their views on how all adults involved with the school can reach our vision.

Please send any ideas you may have on a piece of paper to the office or Mr. Lindsay.
