

D&T

In D&T, the children will be learning about bread making, ready to research, design and bake their own loaf towards the end of term. This will also provide a platform for the children to improve measuring and other mathematical skills associated with cooking. The focus for PE this term is still athletics. We will be developing our track and field skills ready for town

PE

sports and sports day (see the back for the dates).
If your child is chosen to represent the school for Town Sports they will be told soon.

Reminders

- **Book Bags** These need to come into school with the Home School Link book everyday.
- **Home Learning** Children will be required to learn their lines and the songs for the production.
- **P.E. Kits** Due to possible changes in the timetable, please ensure PE kits are in school every day.
- **Parent Links** If you need to bring anything to our attention on a day-to-day basis, please use the Home School Link book rather than coming into class before school, as this is a particularly busy time in our day. Alternatively, we are always keen to address any concerns you may have sooner rather than later, please do not hesitate to arrange a meeting with us via the Home School Link book or school office.

Important dates:

21st June—Town Sports
22nd June—Sports Day
3rd July—It's Your Move
13th July—Production Performance
14th July—Production Performance
17th July—Prom

Year 6—Term 6
2016/2017

Are you ready for change?

Geography

In Geography we are going to learn about biomes—these are plants and animals that have common characteristics for the environment they exist in, and can be found over a range of continents.

To link in with our Geography, in

Science

Science we are going to be learning about animals and their habitats. The children are going to classify plants and animals based on specific characteristics.

In preparation for secondary school in September, the children will be visiting and visited by teachers and students

Transition

from their new school. We will also be having a visit from 'It's Your Move' to support children at this exciting time.

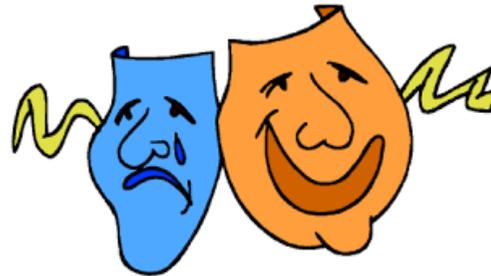

English

In English this term, we will be continuing to improve our writing skills. We will be writing recounts, narratives and character

descriptions.

Our English lessons will also be focusing on our school play, this will include drama rehearsals, speaking and listening activities, reading expressively and learning the script.

In PSHE, we will be focusing on

PSHE

changes and transition. This will help the children prepare for their next important steps to a new school.

Pirates of the Curry Bean

We have started

already

rehearsing for our year 6 school play. The children now have their parts and we will be trying to fit in plenty of rehearsals ready for the final production.

Due to our dedicated work for our SATs we will complete our Art work on clay

Art

mipitors this term.
