

Is your child due to start school in September 2025?

If so, come and visit Sandown Primary School and Nursery in Hastings.

At Sandown Primary School and Nursery, our aim is to provide a secure environment where our children can feel safe to explore rich and diverse learning and developmental opportunities. In partnership with our families, we aim to build on previous learning and respond to children's individual needs. We provide a sound basis for lifelong learning, enabling the children to begin the process of becoming independent, confident, active learners for life. We aim to provide teaching and learning experiences, indoors and outdoors, of the highest quality, as well as through real life experiences, visitors from our local community and trips. We offer wrap around care before and after school at our Breakfast Club and Teatime Club.
