

Pupil Acceptable Use of Technology Policy (including Remote Learning)

Key Stage 2 (7-11)

The Policy

I understand that I must use school devices and systems in a responsible way and that this agreement will help keep me safe when I am online at home and at school.

This Acceptable Use Policy is intended to ensure:

- That pupils at the school will be responsible users and stay safe while using the internet and other digital technologies for educational, personal and recreational use.

For my own personal safety:

- I know that I will be able to use the internet in school for many different activities and, to keep myself and others safe, I must use it responsibly.
- I will not share my password with anyone, and I will log off when I have finished using the computer or device.
- I will protect myself by not telling anyone I meet online any of my personal information. This includes my address, my telephone number, and my school's name.
- I will not send a picture of myself without permission from a teacher or other adult.
- I will not arrange to meet anyone I have met online alone in person without talking to a trusted adult.
- I will tell a teacher or other adult if someone online makes me feel uncomfortable or worried when I am online using games or other websites or apps.

I understand that everyone has equal rights to use technology as a resource and:

- I know that posting anonymous messages or pretending to be someone else is not allowed.

- I know that information on the internet may not be reliable and it sometimes needs checking so I will not download any material from the internet unless I have permission.
- I know that memory sticks/CDs from outside of the school may carry viruses so I will always give them to my teacher so they can be checked before opening them.
- I know that I am not allowed on personal email, social networking sites or instant messaging in school.
- I know that the school internet filter is there to protect me.
- I know that all school devices/computers and systems are monitored, including when I am using them at home.

I will act responsibly towards others, as I expect others to act towards me and:

- I will be polite and sensible when I message people online
- I will not be rude or hurt someone's feelings online.
- I will not look for bad language, inappropriate images or violent or unsuitable games and, if I accidentally come across any of these, I will report it to a teacher or adult in school or a parent/carer at home.
- If I get unkind, rude, or bullying emails or messages, I will report them to a teacher/adult. I will not delete them; I will show them to the adult.
- I understand that if I am an administrator of a social media thread that may have inappropriate or hurtful images or messages on it that I may be asked to remove that thread to prevent further incidents.
- I understand that in the event of illegal activity the school may consider contacting the police.

I understand that I am responsible for my actions, both in and out of school:

- I understand that the school has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this policy, when I am out of school and where they involve my membership of the school community (examples would be cyber-bullying, use of images or personal information).
- I understand that if I fail to comply with this policy, I will be subject to disciplinary action and my parents/carers will be contacted. In the event of illegal activity, the police will be contacted.

When working from home (remote learning):

These expectations are in place to help keep me safe when I am learning at home and using Google Classroom, Class Dojo or Microsoft Teams.

- When taking part in a live lesson, I understand that I must take part from somewhere appropriate at home (not in my bedroom) with limited distractions and I must wear appropriate clothing;

- I understand that my teachers may mute my microphone and I should wait for them to unmute it rather than unmuting it myself;
- I understand that I should only communicate with my teacher through pre-arranged live lessons or using school email;
- I will not record teacher audio or video presentations, nor will I take screenshots or photos of teachers or other pupils;
- I will not share or distribute any of the teacher presentations and online teaching resources;
- I will not change or edit of any of the teaching resources made available except for my own personal use;
- I will not take, use, share, publish or distribute images of others without their permission;
- I will not share any access links to these remote learning sessions with others;
- I understand that I must behave online as I would in a classroom;
- I will only use the chat feature for work-related discussions;
- I have read and talked about these rules with my parents/carers;
- I understand that if I do not follow this agreement, I may not be allowed to use the internet at school.
- I have read and talked about these rules with my parents/carers.
