

## **Pupil Acceptable Use of Technology Policy Agreement (including Remote Learning)**

### **Early Years and Key Stage 1 (0-6)**

#### **The Agreement**

This Agreement is intended to help our younger pupils understand:

- How to stay safe while using the internet and other digital technologies for educational, personal and recreational use.
- That they must use school systems in a responsible way, to ensure that there is no risk to their own safety or to the safety and security of the systems and other users.

#### **This is how we stay safe when we use computers at school and at home:**

- I will ask an adult if I want to use the computers / devices and will only use it when they are with me;
- I will only use activities that an adult has told or allowed me to use;
- I will keep information about me safe;
- I will not share my password;
- I will be kind to others online when I am sending messages;
- I will ask for help from an adult if I am not sure what to do or if I think I have made a mistake;
- I will tell an adult if I see something that upsets me on the screen or if I am worried;
- I know that if I break these rules, I might not be allowed to use the computers / devices;

#### **When I am learning from home:**

- I will ask an adult if I want to use a computer or device;
- If I am in a 'live lesson' with my teacher an adult will be close by me;
- I will make sure that I use my computer or device in a sensible place (not in my bedroom);
- I will only do activities online that a teacher or suitable adult has told me or allowed me to use;
- I will ask for help from an adult if I am not sure what to do or if I think I have made a mistake;
- I will tell a teacher or adult if I see something that upsets me on the screen.
