Freedom of Information Scheme

Guide to information available from Sandown Primary School under the model publication scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.
- The ICO would expect schools to make the information in this document available unless:
 we do not hold the information;
- the information is exempt under one of the FOI exemptions or Environmental Information Regulations (EIRs) exceptions, or its release is prohibited under another statute;
- the information is archived, out of date or otherwise inaccessible; or,
- it would be impractical or resource-intensive to prepare the material for routine release.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the latest model scheme for schools approved by the Information Commissioner.

We endeavour to make as much information as possible available online. The classes below, provide links to information which is available. If any of the information is not available online, the scheme will explain how it can be accessed. We will continue to develop this scheme to increase the amount of information that can be accessed through it.

The school does not charge for information which is accessed on our website. However, we may pass on costs for reproducing information or providing it in alternative formats, and we do charge for some specialist information services as set out in section 4 below.

2. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are set out below or you can visit our website at http://sandown.school

Contact Address: Sandown Primary School, The Ridge, Hastings, East Sussex, TN34 2AA

Email: office@sandown.school 01424 436983.

To help us process your request quickly, please clearly mark any correspondence "PUBLICATION SCHEME REQUEST"

If the information you're looking for isn't available via the scheme and isn't on our website, you can still contact the school to ask if we have it.

3. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 4. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.
