Supervision of Children Policy

Aims

Sandown Primary School and Nursery is committed to provide, as far as is reasonably practicable, safe playground(s)/outdoor area(s) and learning environments for the children of our school. This policy seeks to clarify the level of supervision provided before, during and after the school day so that all staff (including contractors, agencies, and third-party organisations) and parents or carers are aware of the standards that are expected.

Supervisory Responsibilities

The headteacher will:

- Ensure that the EYFS ratios, training and supervision levels are always maintained for those in Nursery and Reception.
- Always ensure the maintenance of good order and discipline during the school day when pupils are present on the school premises or on educational visits.
- Ensure adequate staff are available to meet the required supervision requirements for before the start of the school day, during break times and lunch times, and at the end of the school day until all children have left the school grounds or are under parental or carer supervision.
- Organise appropriate training for school personnel.
- Ensure that staff are aware of their supervisory responsibilities.
- Continue to develop a culture of safety and a safe environment for our children.
- Ensure that this policy is communicated to parents or carers.
- Monitor the effectiveness of this policy by speaking with pupils, school personnel, and parents.
- Review and evaluate the supervision procedures as required.

Supervising staff will:

- Support and assist in the implementation of this policy.
- Be aware of the EYFS requirements of supervising those in Nursery and Reception, including the level of training required for staff.
- Reinforce a 'safe play' /use of recreational time message.

Supervision of Children Policy

- Adhere to and follow the safeguarding and child protection, health and safety, and behaviour policies, and the staff behaviour policy/code of conduct, plus the additional policies listed on page 5.
- Report any concerns to the headteacher or member of the senior leadership team (SLT)/designated safeguarding lead (DSL) as appropriate.
- Understand their prime supervisory responsibility; to be with the class or group all the time. Children should not be put in the position of being left unsupervised. Good preparation and classroom management should ensure that there is no necessity for this to be the case.
- Have a strong awareness of the need for supervision at transition times. This includes supervision of cloakroom/toilet areas, supervision of transition to pick-up time, and supervision of use of toilets at the beginning and end of the school day. Risk assessments must be in place.
- Have an awareness of which pupils have specific health needs/conditions which may warrant an immediate response in an emergency e.g. pupils requiring an inhaler / EpiPen and that emergency medication is available as per an individual plan.

Parents and Carers will:

- Respect the arrangements provided for the supervision of their children and understand the times that supervision will be available.
- Support the supervisory staff by ensuring that their children (including other siblings who may not currently attend the school) adhere to the rules of the school whenever they are on the school site or participating in school events and activities.
- Report any concerns to the headteacher/member of the senior leadership team (SLT)/designated safeguarding lead (DSL) as appropriate.
- Inform the school of any changes to the arrangements for the collection of their child.

Before school

Children, which includes pupils and their siblings, must behave in a way that respects the adults and smaller children on the playground.

- The duty staff go outside at 8:30am to the front car park and the KS2 playground. One duty staff stands at each gate to ensure no children leave the playground after their arrival and other duty staff stand on the playground.
- Duty staff are situated by the main gate and other key entrances to ensure that children come in but do not go out again.
- From the time that the school takes responsibility for children, all teachers must be ready to receive their class.
- Staff should be available by 8.15am to receive any messages from parents and to bring in children from 8.30am onwards.

Parent/carers should also note that there will not be staff on duty before 8.30am and are encouraged to remain with their children until the gates are opened. Should there be any incidents such as bullying or accidents, the school cannot be held responsible and supervisory responsibility will remain with the parent/carer until the time specified above.

The gates will be opened at 8.30am for access to school and will remain open until 8.45am Any latecomers must report to the main school reception area.

The vehicle gates will remain closed between 8am and 8.30am at the start of the school day.

Supervision Arrangements

During the school day all visitors with business in the school will be admitted through the school office where they will sign in and receive a visitor's lanyard/badge. Certain visitors to the school will be accompanied by a member of staff throughout their visit.

Leaving the school site: Children should not be allowed off-site during school hours unless there is clear evidence of a request in writing, by email, in person from the

Supervision of Children Policy

parents/carers.

Errands: Children should not be sent off-site on a personal errand on behalf of a member of staff. This includes children collecting items from cars parked in the school car park.

Illness: When children are taken ill during the school day the school will contact the parents/carers, whether at home or at work. Information about contacts is kept on Arbor.

Lesson Time: Children must be supervised always. Children should not be left in classrooms without supervision. Children attending clubs and extra-curricular activities should not be left in school unattended.

The school needs to ensure that arrangements are in place for the safe handover of children attending any clubs or extra-curricular activities.

Visitors: All visitors to the school are expected to sign in and out. Visitors are required to wear a visitor's lanyard/badge. All staff should check strangers by politely asking why they are on the premises and report to the school office if there is a concern.

Parents/carers are not allowed to approach children from other families to sort out disputes or arguments; staff or parents/carers should report any concerns about this to the school office.

Any pupil excluded during the school day must remain with the headteacher until the child's parent / carer comes to the school to collect them in person.

Break Times

The headteacher will:

- Review break duty arrangements daily in the event of any staff sickness/absence thereby providing adequate supervision ratios.
- Make the decision about whether it is a wet break time and ensure that there are adequate levels of supervision throughout the premises.
- Provide supervision training for new members of staff to ensure children are safeguarded.
- Whilst EYFS children (Nursery and Reception) are eating there should always be a member of staff in the room with a valid paediatric first aid certificate.

Games/PE

- If it is not appropriate for children to change together in the classroom for PE, then the teacher should ensure that there is some supervision of both groups whilst changing.
- Children who cannot take part in games activities can join their group as an observer (warm weather only). If this is not appropriate, then children must be designated a class or person and must report to that teacher with some work to do.

Children's Responsibilities & Duties

- When allocating jobs/tasks to pupils, safety must be a prime consideration. It would not be appropriate for children to be involved with plugging electrical apparatus into the mains unless they were directly supervised, for example. Children doing jobs/tasks must be directly supervised by the teacher.
- Children should not be left in classrooms or communal areas during normal break times without appropriate adult supervision.
- All children have a duty to leave the building promptly during break-time and should be aware that once they have left the building they should not return unless it is to go to the toilet.

Supervision of Children Policy

- Children who are expected to stay in to finish work are the responsibility of the teacher requesting them to do so and they must be supervised.

Staff will:

- Supervise the children in their care all the time.
- Dismiss their class to the playground and check that supervisory staff are present before leaving the area.
- If it is deemed inadvisable for a child to be on the playground during break times because of their-behaviour, the class teacher will make the decision on whether the child should remain inside under the supervision of a member of staff and where they will be supervised.
- Consider supervising toilet areas where possible during break and lunchtime, to support the smooth and prompt movement of pupils back to the playground.
- Once the bell has been rung, we expect children to enter school in the appropriate manner to ensure a positive start to the next lesson. Particular attention should be paid to supervising children in congested areas.

Members of Staff on Supervisory Duty: See appendix map/ rota indicating where staff will be located; this identifies any areas where direct supervision should be provided e.g., play equipment

- Must be in the playground from before break time starts and remain there until all the children are sent inside.
- Use high-vis jackets/vests to be easily identifiable and be vigilant always.
- Not indulge in protracted conversation with other members of staff.
- Deal with any incidents of behaviour and report them to the relevant member of staff.
- Report any safeguarding incidents/concerns to the DSL/Deputy DSLs immediately via the school system.
- Must be clear about the procedures in relation to the administration of emergency medication during lunch and playtimes, including, which pupils

are managing their own emergency medication e.g. inhalers and EpiPens or know which staff member/s has delegated responsibility to manage this.

- First Aid is generally administered on the playground by trained first aiders. On occasion, first aid may be administered at the Medical Room in the main corridor which may require a member of staff to leave the playground. In this instance, the remaining staff on the playground will need to widen their area of supervision until additional adults arrive to support or until the children come back in to school. SLT will aim to be in contact with supervisory assistants via Walkie Talkie where possible.

All First Aid incidents will be recorded on Medical Tracker.

When a child sustains a head bump, an additional phone call is made home by the first aider dealing with the head bump as well as the Medical Tracker email.

Lunchtimes

The headteacher will make the decision about whether it is a wet lunchtime and the school business manager will review arrangements daily in the event of any staff sickness/absence to ensure there are satisfactory levels of supervision throughout the lunch break. It is considered that these adults have a very important role within the school and the contribution they make to the management of the school, and the care and welfare of the children, is valued very highly. The school business manager is responsible for the management, training, and welfare of the supervisors in school, and reports regularly to the headteacher.

The playground will be supervised at lunchtime by staff wearing high vis jackets in designated areas. Consideration is given as to where staff should be located and identify any areas where direct supervision should be provided if appropriate e.g., play equipment and other areas that are out of bounds.

Communication between the supervising members of staff and the school office is undertaken by walkie talkie.

In the event of an incident or unexpected occurrence, the headteacher will ensure additional support will be provided to assist in the situation.

The Role of the Staff on Duty at Lunchtime

Staff on duty at lunchtime are responsible for:

- Supervising children on the school site as required by the headteacher.
- Ensuring EYFS children (Nursery and Reception) always being within sight and hearing whilst eating. Where possible, staff should sit facing children whilst they eat so they can make sure children are eating in a way to prevent choking and so they can prevent food sharing and be aware of any unexpected allergic reactions.
- Whilst EYFS children (Nursery and Reception) are eating there should always be a member of staff in the room with a valid paediatric first aid certificate.
- Dealing with minor incidents and accidents following the health and safety policy.
- Being clear about the procedures in relation to the administration of emergency medication during lunch and playtimes, including, which pupils are managing their own emergency medication e.g., inhalers and EpiPens themselves or which staff member has delegated responsibility to manage this.
- Organising activities for the children during wet lunch breaks-see wet break rotas; staff must not leave their designated areas.
- Over-seeing children's care and welfare during the lunch break, especially in the playground.
- Undertaking training as required.
- Reporting any safeguarding incidents/concerns to the DSL/DDSL as soon as possible via the agreed systems.

General organisation

Each member of staff on duty at lunchtime has a specific role to play within the general organisation and is given a specific schedule to follow. The tasks are timetabled; staff **must** keep to the schedule.

General duties

Members of staff on duty at lunchtime are responsible for:

- Supervising children eating their lunch.
- Managing the children's behaviour, including orderly queuing.
- Monitoring the playground, cloakrooms, and classrooms to make sure children are safe.
- Making sure all children observe the behaviour policy.
- Assisting children with their meals as necessary.
- If first aid is administered on the playground with trained members of staff, the remaining supervisors will widen their view of the playground until additional adult support arrives or the children go back into school.
- For those children with allergies, their AAls /EpiPens and any emergency medication, including asthma pumps or Buccal for epilepsy are taken onto the playground or field and are always kept within 5 minutes of the child.

Guidelines

- Do not stay in one place for any length of time (within your designated area).
- Always wear your hi-vis jacket when on duty to enable pupils and other staff to spot you quickly.
- Make sure you supervise the areas of the school building for which you are responsible.
- Inform the Headteacher /DSL if you become aware of an area which you believe requires additional vigilance or falls outside of sightlines in terms of supervision.
- Do not stand talking to other staff or spend a long time with one group of children.
- Follow the school's behaviour policy.
- Aggressive play, bullying or concerns should be reported to the class teacher and/or SLT.

Supervision of Children Policy

- Record all accidents on Medical Tracker and seek help if the accident is a cause for concern.
- Read the health and safety policy for advice.
- Watch the games the children are playing, but do not get too absorbed, as it might distract you from what is going on elsewhere-be vigilant.
- Do not let children spend all their time with you, as it can prevent them from mixing with other children.
- Avoid playing games with the children after you have initiated them; encourage play between them to facilitate a high level of supervision.
- Avoid questions to children that could be interpreted as ‘prying’ into family matters.
- Pass all lunchtime issues to appropriate staff e.g., class teacher/DSL.
- Treat the children fairly, equally and with respect.
- Be vigilant of groups of mixed-age children; pay attention, particularly, to EYFS/KS1 pupils.
- Be vigilant of pupils with complex special educational needs and disabilities/behavioural needs. This may include having an awareness of what measures should be implemented in response to specific behavioural incidents to ensure the safety of others and appropriate support for the individual pupil.

After school

The class teachers will escort the children to the front carpark to be handed over to a parent / carer / trusted adult and ensure that they are met and collected by an appropriate person unless they have permission to walk home (Years 5 and 6 only). Where a child has said they have permission to walk home but this has not been confirmed, the child will not be permitted to walk home. The parent / carer must put this permission in writing to the school first.

Staff **MUST NOT** release children to persons that are not known to them, and parents/carers must communicate any alternative arrangements to the school if they wish their children to be collected by another named person.

Supervision of Children Policy

Children should never wait outside for lifts or taxis. They should be collected from the reception area.

For pupils who qualify for travel assistance and are transported to and from school via a taxi and/or other school transport, staff should ensure that unfamiliar/new transport personnel are confirmed as the appropriately assigned persons to transport that pupil. They will check and seek reassurances before releasing the pupil. Any new persons collecting a child must be on Arbor as a contact prior to the school staff handing over that child.

At the end of the school day, there is pedestrian access only through the vehicle gates between 3pm and 3.30pm. Cones are placed across the gate entrance to prevent vehicles from entering and SLT staff are on duty between 3pm and 3.30pm.

Children, which includes pupils and their siblings, must behave in a way that respects the adults and smaller children on the playground at the end of the school day.

No vehicles may leave the car park between 2.55pm and 3.30pm.
This includes any staff or visitors to the school site.

Safeguarding - After School Provision

- The school and club leaders will ensure that a clear procedure is in place for the transition of children from school to after school provision and that this is known and understood by all.
- It is the school's responsibility to ensure third party providers are prepared to adopt the school's policies.
- All providers will be informed of the systems, procedures, and expectations for safeguarding.
- It is the responsibility of the provider to contact SPOA / the Headteacher/ Designated Safeguarding Lead (DSL) in the event of a safeguarding incident / concern e.g., child disclosure.

Supervision of Children Policy

- All club leaders will have a current DBS certificate. The school will make clear to third party providers what is expected of them in terms of a safe working practice with children and young people and record that they have done this. All club leaders are given a copy of the document 'Keeping Children Safe in Education' (DfE - 2026).
- Insurance: All third-party providers offering activities provide a copy of their public liability insurance and their employer liability insurance as appropriate.
- It is important that the school ensures that they have written confirmation from third party providers that their staff have been safely recruited.

Club Expectations

All club leaders ensure that every term there is a reminder about the procedures in case of a fire, rules for moving around the school building, arrangements for going to the toilet, expectations of behaviour, and changing arrangements. Registers of attendance must be taken at the start of each session.

Special Arrangements

Upon the completion of after school clubs, sporting occasions or off-site activities that have been planned to finish after the end of the school day, parents/carers are asked to collect their children from the pedestrian gate. Staff will ensure that children are only released to a known person unless prior permission has been given to either walk home alone (Years 5 and 6 only) or be collected by another named person.

Pupils who qualify for travel assistance after school staff will ensure that they do not release pupils unless they are aware that said arrangements have been put in place.

Activities Off-site

During all class trips/ activities off-site staff have a heightened responsibility for supervision and must always follow procedures and risk assessments.

All Other Times

Parents/carers must be aware that the school will **not** provide supervision for children in the playground outside these times, including open days, parents' evenings, and parent events. The children will be the supervisory responsibility of the parents/carer at all other times other than those stated in this policy.

Relationship to other policies (adjust policy names appropriately)

- Early Year Foundation Stage Framework
- Behaviour Policy
- Anti-bullying Policy
- Child Protection and Safeguarding Policy
- Health and Safety Policy
- First Aid Policy and Guidance
- Supporting Children with Medical Conditions Policy
- Health and Safety Policy
- ESCC Incident Reporting Policy and Guidance
- ESCC Policy on Outdoor Play Equipment
- Educational Visits Policy
- Crisis Management Plan

Relationship to risk assessments

- EYFS
- First aid
- Security
- Movement around school
- Playground activities
- Play equipment
- Slips, trips, and falls
- Access and egress
- Individual pupil risk assessments

Roles and supervisory responsibilities

This policy applies to:

- All staff and contractors, agency, and other third-party organisations
- Children
- Parents/carers (at dropping off and picking up times).

Arrangements for monitoring and evaluation

The designated safeguarding lead and Headteacher will monitor the minor injuries recording forms/ behaviour logs, individual pupil risk assessments where appropriate and bullying incidents to ascertain whether there are recurring trends and how they could be resolved.

Supervision of Children Policy

Appendix A

A map of the school showing any areas which are out of bounds to children, the position of staff when on duty outside plus other relevant information for each school.

SCHOOL OUT OF BOUNDS AREAS

Appendix B

A letter which is used to gather the collection arrangements for the children.

Dear parents/carers,

At Sandown Primary School and Nursery, we regard the security and the safety of children and adults as a priority. Children will only be allowed to leave the school with a parent/carer, or someone authorised by their parents/carers, unless they are in Years 5 and 6 when they can walk home provided you give permission. It is vital that collection details are clarified, and emergency contacts are correct, as we may need to contact you urgently. Please could you complete the attached form and return it to school as soon as possible.

We realise that there will always be days when your normal arrangements are not possible - we just ask that you ring into reception as early as possible to inform us, so that we can let your child's class teacher know.

Please collect your child promptly. If you, or the person collecting your child, are going to be late please telephone to inform us. If you are late your child will be waiting in the front lobby until 3.40pm. After this time, they will be taken to Teatime Club and you will be charged. This ensures that they are with an adult.

You may also note if there is anyone who you DO NOT want your child collected by. If you would like to discuss a difficult situation, please either speak to your child's class teacher or call the school to arrange an appointment with the headteacher.

Thank you for your support and we appreciate your patience in this.

Yours faithfully,

Designated Safeguarding Lead
