

## Uniform

Wearing school uniform promotes a sense of belonging and pride. Our uniform is practical and allows pupils to freely engage in all learning activities.

All pupils with long hair should wear it tied back, for health and safety reasons. Extreme hairstyles and dyed hair colouring are not suitable for school.

The only jewellery items we can allow are watches and small stud earrings. Pupils will need to remove these for P.E.

### Winter

- Navy polo shirt with logo
- Burgundy sweatshirt or cardigan with logo
- Burgundy fleece with logo (optional)
- Black trousers, skirt or tunic
- Sensible black shoes/plain black trainers
- Plain white or black socks/tights

### P.E. Kit

- School P.E. top
- School P. E. shorts
- Plain white or black socks
- Trainers
- Navy blue hooded sweatshirt with logo
- Navy blue jogging bottoms

## English

In English, our class text is The Story of Robin Hood written by Rob Lloyd Jones. We will use this text to write a description of Sherwood Forest and we will retell the story as a narrative. Later in the term, we will move onto information writing linked to our Geography learning.

## Spellings

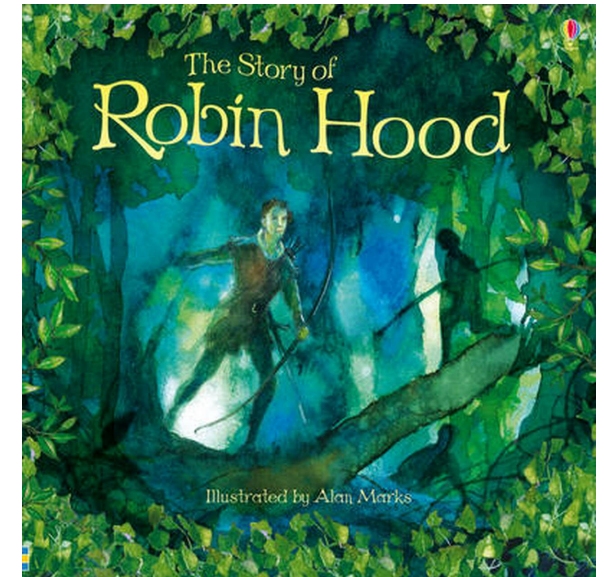

As you know, children receive 10 spellings per week which they are expected to learn and practice at home on three different occasions. Home Learning is due in school on a **Wednesday morning**, with spelling tests taking place on a Wednesday or Thursday.

Children should follow the **look, say, cover, write, check** method when practicing their spellings - they should check each letter carefully and also **correct any errors**. Please encourage your children to do this as it really does help improve their spellings!

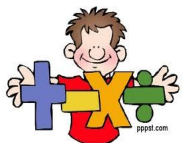

# YEAR 4

## Spring Term 3

2022

## The Story of Robin Hood

# Maths

In maths this term, the children will be finishing their learning of multiplication and division.

By the end of the year, all children in Year 4 are required to know all multiplication and division facts up to  $12 \times 12$ . Please continue to encourage your child to learn their times tables at home, as we will be checking children's progress in class weekly!

For their homework, the children will be expected to complete 240 questions on TT Rockstars or the equivalent on paper sheets. This will run from Wednesday to Wednesday.

To earn their Times Table Champion Badge, children are expected to know all multiplication and division facts up to  $12 \times 12$ . They will be expected to reason about their answers e.g. I know that  $9 \times 4 = 36$  because  $10 \times 4 = 40$  and  $40 - 4 = 36$ .

# Important Information

## P.E. and Forest School

Poplar Class- Tuesday (Forest School) and Thursday (PE)

Hawthorn Class- Tuesday and Friday (PE)

Elm Class- Tuesday and Friday (PE)

## End of the day:

Please make sure that when collecting your child that you are standing behind your class flag.

Could you please message the office if there are any changes to collection times or people collecting your child. We are not always able to read messages during lesson time. Thank you for your understanding.

# Foundation Subjects

**Art**—This term, we will be learning about Josiah Wedgwood, an English potter. They will research who the artist is and then create some pottery in the style of Wedgwood.

**Computing** - Our focus this term is spreadsheets. The children will be using Purple Mash to understand the basics of how to input data onto a spreadsheet before progressing onto formula.

**Science** - In Science this term, we will continue our topic on states of matter. This term, we will be focusing on the water cycle. We will enjoy lots of practical investigations during this unit which the children are very excited about.

**RE** - This term, children are building on their knowledge of the annunciation by learning about the epiphany.
