

DT

In D.T. we will be doing a food and nutrition unit. We will be learning about rationing in WW2 and the 'Dig for Victory' campaign and will be using vegetables that would have been available at the time to create a soup.

RE

This term, we will be studying Christianity—specifically learning about the trinity and the resurrection.

Reminders

Reading at Home

Home school link books need to be in school every day as we check through them to monitor the quantity and quality of reading taking place at home. It is important that you record quality comments in your home school link book so use the ideas in there to aid you if you're stuck or find yourself becoming repetitive.

Home Learning

Children will be expected to complete spelling, reading and mathematics (TTRS) home learning each week. Spelling homework will be handed out every Friday and is due in by the following Wednesday.

Funky Friday

Each class will take it in turns to host this term. If your child is presenting, you are invited to come and watch.

Key Dates

Monday 21st February—Back to school

Wednesday 2nd March—Brighton University visitors

Thursday 3rd March—World Book Day

Wednesday 9th March—Careers Café

W/C 21st March- Bikeability Week 1

W/C 28th March- Bikeability Week 2

Tuesday 29th March @ 2:30—SATs information session

Year 6 – Term 4 2022

WW2

Battle of Britain

Science

This term, Year 6 are learning about Electricity.

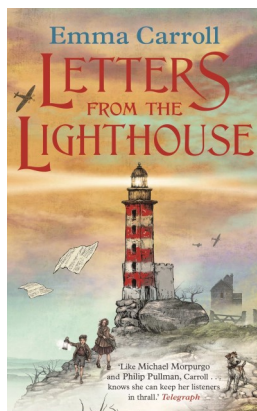

The children will be learning about the recognised symbols used in circuit diagrams and will investigate how the brightness of a bulb or volume of a buzzer can be affected.

There will be plenty of opportunities for the children to work scientifically to solve problems, answer questions and create investigations.

English

In English, the children will be reading 'Letters from the Lighthouse' by Emma Carroll, which is set in WW2 and will link to our History work.

Mathematics

We will spend time this term learning about ratio, algebra, area, perimeter and volume, geometry, reflection and translation, graphs and averages and negative numbers.

Time is ticking and we are getting closer to the SATS. Please encourage your children to continue practicing their arithmetic skills and their times tables and division facts.

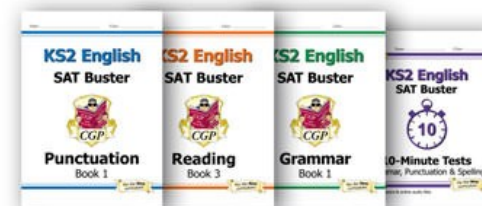

Please also encourage children to attend tutoring regularly when offered.

Keep playing on times table Rockstars!

SATs

This is the final term before the SATs tests.

The children will continue to use their SAT buster books at school as well as bringing them home in order to familiarise themselves with what tests look like, identify areas to revise and how to sit test conditions.

If you have any questions regarding the SATS we will be hosting a parental engagement meeting later this term. We will send out a letter nearer the time.

PE

Silver Birch—Tuesday & Friday

Chestnut—Tuesday & Friday

Spindle-Tuesday & Friday

Please continue to wear your P.E. kit to school on P.E. days.
