

DT

In DT, we will finally be continuing our food and nutrition unit. We will be using seasonally available ingredients to make the soup we have designed.

We are also going to be starting a new topic: electrical circuits and components. We are going to use coding to try to design and make our very own Morse code machines or lighting up a lighthouse!

Reminders

Reading at Home

Home school link books need to be in school every day as we check through them to monitor the quantity and quality of reading taking place at home. It is important that you record quality comments in your home school link book; use the ideas from p.11 if you're stuck or find yourself becoming repetitive.

Home Learning

Children will be expected to complete reading and mathematics (TTRS) home learning each week. This term, the children will also be expected to learn their lines and words for the songs for the play off by heart as well as practising their acting skills with any spoken lines.

Key Dates

Monday 6th June— Start of Term 6

Thursday 30th June — Year 5/6 Sports Day (pm only for parents)

Tuesday 5th July — SATs results due in

Thursday & Friday 6th/7th July — Secondary School Transition Days

Monday 18th July — Year 6 Prom

Thursday 21st July — End of Term 6

Thursday 26th May—end of Term 5

Year 6 – Term 6

2022

Music

Music this term is all about the songs from our Year 6 play: Darwin Rocks! We will be practicing the songs in school but please ensure your child practices at home too. The songs can be found easily on YouTube so you can listen at home.

- *Darwin Rocks
- *Tierra Del Fuego
- *Two Creations
- *The Groove of Evolution
- *Better Than A Dog
- *Life Will Find A Way
- *Nothing Beats Being You

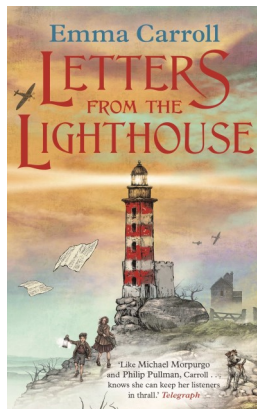

History

In History, we will finish our WW2 topic. We will be finding out the factors that led to the end of the war and how people celebrated.

English

In English, the children will finish reading 'Letters from the Lighthouse' by Emma Carroll, which is set in WW2 and will link to our History work.

PSHE

The focus for PSHE in term 6 is Dreams and Goals: making a difference. We will also be doing some work around transition as the children are facing a big change in a matter of weeks.

Art

This term, we are going to develop our sculpting skills even further by sculpting a piece inspired from our class novel.

PE

Silver Birch—Tuesday & Friday

Chestnut—Tuesday & Friday

Spindle-Tuesday & Friday

Please continue to wear your P.E. kit to school on P.E. days.

The final cog of the year is the Health and Fitness cog. In these PE lessons, children will be playing a game called Beanbag Raid. In our other PE lesson, we will play some rounders and try our hand at orienteering—we all enjoyed this map reading skill at Blacklands Farm.
