

Dates For Your Diary

Malldam's Farm
(Hornbeam): 28th
February—1st March.

Malldam's Farm (Hazel): 1st—2nd March.

World Book Day: Thursday 3rd March 2022

PE

In PE this term, children will be developing their creative skills whilst playing games. Children will be assessed against these criteria:

- I can make up my own rules and versions of activities.
- I can develop sequences that express my own ideas.
- I respond imaginatively to different situations.

All Year 5 classes will now have **PE on Monday and Wednesday.**

They will also continue to have Fitness Groove with Coach D on Monday, Wednesday and Friday every other week.

Home learning

Reading

Remember to keep reading at least 5 times a week. It is important that you record a quality comment in your home school link book. The comment could tell us your favourite part of the story, what you did or didn't enjoy or what you think might happen next. Use page 11 of the HSL book for help.

Maths Home Learning

Each week a challenge is set on Times Table Rock Stars. Children can either play online or complete the double sided A3 sheet. If they play online, they must score 480 points. Only children who play online will be in with the chance of winning a certificate.

Independence Project

At this point in the year, children should have earned their Bronze Star to be on track to have earned their Gold by the summer.

Bronze Star- 25 pieces of quality learning

Silver Star- 50 pieces of quality learning

Gold Star– 100 pieces of quality learning

Super Star– 200 pieces of quality learning

YEAR 5

Term 4 2022

May the Force be with you.

Science

In Science this term, the children are going to be learning about forces. Within this topic, children will be learning about gravity, air resistance, water resistance and friction.

RE

This term children will be learning about the religion Christianity.

The children will learn about Palm Sunday and Good Friday. Palm Sunday commemorates the entrance of Jesus into Jerusalem when palm branches were placed in his path, before his arrest on Holy Thursday.

Good Friday is a Christian holiday commemorating the crucifixion of Jesus.

History

Continuing our history topic for this next term, we are learning about the Anglo-Saxons and The Vikings. In this topic, children will build on their chronological understanding of British History throughout this unit.

Art

In Art, we are going to be studying George Seurat and his style of painting. Children are going to experiment with pointillism and create a final piece using this style.

Computing

In computing, children will be learning about data bases, specifically they will learn about their uses and searching tools. Their final project will be to make their own data base.

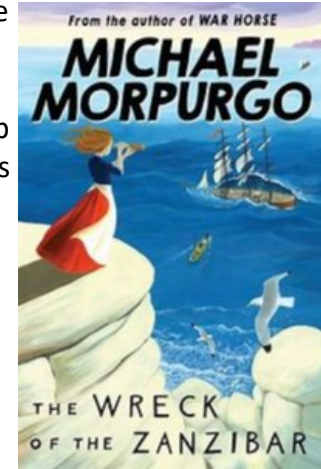

French

Our unit this term is 'At the Café'. Children will learn how to order a selection of food and drink.

English

This term, we are reading 'Wreck of the Zanzibar' by Michael Morpurgo. Children will be planning, writing and editing a range of different text styles from news papers to information texts. We will be conducting our own research on turtles which will help children to form ideas for their information writing.

Mathematics

Over the next term, children will progress onto decimals and percentages. Children will follow a coherent journey through these concepts. Children will need to become fluent when using the following language: Decimal, tenths, hundredths, thousandths and percent. See if your child can tell you the definition for each of these mathematical words.

5.6 3.1 2.65
9.3 0.7 1.24
8.2 0.1 2.2
0.12 7.7 0.3
