'The Best That We Can Be.'

I would like to thank Costcutter who have donated £900 to Sandown Primary School PTA. If you are ever in Costcutter please could you thank the staff for their kind donation. :-)

Over the Easter we will be relocating Mr. Luttman's office and turning it into a key stage two library. We will use this donation to help renovate the room and supply many new books for your children.

Our progress in reading has been excellent this year. Most children are reading every night and this is vital to their progress. It was wonderful to celebrate World Book Day last week and see everyone dressed up. I hope that all parents and carers will be able to attend parent's evening on the 1st and 3rd April to celebrate successes.

Thank you, again for all your support.

Mr.Lindsay

Lost Property Box

Our lost property box is overflowing with lots of uniform and coats! If you have lost something please come to have a look. Lots of items remain unnamed so we can't return them to the owner. If any unnamed items are left at the school by the end of term, we will unfortunately have to recycle them. Please can parents remember to label all uniform and coats so if they are lost they can be easily returned. Thank you.

Road Safety Fortnight

Over the next 2 weeks there will be a focus on road safety. The Mayor of Hastings visited Funky Friday Assembly last Friday to talk to the children about this and this will be followed by a talk from a police liaison officer on Monday 17th as well as class discussions.

During this fortnight the school is also asking parents and families to support the road safety campaign to make the road outside the school safer. To support the campaign please sign the petition available at the school Office or [click here to sign online](#). You can also help by coming to town on Saturday 15th to gather signatures with us. Ask at the Office for more details.
