

Firework Night

A huge "Thank you" to all the PTA and staff involved for making Firework Night such a great success. The PTA work very hard to put on such great events and any help would be greatly appreciated. £820.00 profit was raised through this event with approx. 750 people attending. There was a good community feel on the evening and Uncle Bumble was a big hit with the children.

Diary

2015—2016

SANDOWN PRIMARY SCHOOL

Issue 4

Nov 2015

'The Best That We Can Be.'

We have had a wonderful start to this academic year. Every year the Local Authority rates the school and gives us a category in a similar way to Ofsted. For the first time we have been categorised as a grade 2 school, which means we are at last officially a GOOD school. I would like to thank the whole community for helping us achieve this, We should all feel extremely proud.

Our focus for this term is to improve lunchtimes. Please help us by helping your children to use a knife and fork and to share meal times around a table if you can.

Thank you
Mr.Lindsay.

Monday 30th Nov

Apologies but due to Staff training there will be **NO** clubs running on **Monday 30th November** including Sunset Club and Units of Sound.

ParentMail

We have just upgraded our parentmail system. You should all have received a text or email asking you to **re-register** with parentmail. We would urge you to please register (and download the free app which is available for all smart phones) By registering you will be able to respond to school messages, receive texts and emails containing vital school information, as well as report your child's absence. Not only is this environmentally friendly it also reduces the amount of lost letters on the way home from school. Please see the office for more information.

Children in Need

Thank you for supporting children in need on Friday. We raised a fantastic £343.61
The Children looked fabulous in all their hero outfits.

E-Safety

3rd Dec - E-Safety meeting for parents at 2.30pm. Please come along and find out about this

important area and what you can do to help your child at home.

E-safety tips:

Set up a separate user account for your child and then set parental controls for that account. For details of how to do this see the Digital Parenting magazine sent home in November or go to:

<http://www.saferinternet.org.uk/advice-and-resources/parents-and-carers/parental-controls>

School Council

At school council this week we have voted in Ellie Westlake as our chairperson and Katie Hughes as the vice chairperson.

We are going to ask our classes about having a "rainbow" fund raising day as well as asking for ideas for a new name for the sunset club.
