22nd July - End of Term 6

5th Sept - Inset Day

6th Sept - Return to school

All calendar dates can be found via our [website](#)

Of course the first thing I want to celebrate with you is the fantastic news that we were graded as a 'Good' school by OFSTED. After many years of extremely hard work, it was such a pleasure for the whole school and you, as parents, to be recognised for the vision we have been building. Our school is a central part of this community and our Inspectors really recognised this as a strength. The children know that as we bring home and school together, we are all working to give them the best start, not only to their education but also for their future lives and the part they will play in our society. Well done to everyone involved. We should all feel really proud. Next step Outstanding!

We are starting to get ready to say goodbye to our oldest pupils. They are busy rehearsing for their production of Olivia and meeting staff from their new KS3 schools. We are also welcoming our new intake for September, holding new parents sessions, visiting Nurseries and learning lots of new names. Our Foundation Village will be developing further next year and we hope to be working even more closely with Maplehurst Nursery.

Year 3 Thrive Parade.

Car Park

Just a reminder that there is **NO** parking available for parents in the car park. This includes pick ups for after school clubs!

Pool Update

FMG consulting gave a mid-project review presentation in May. This was to provide the evidence base for the next phase of the project.

This showed us the wide range of deprivation statistics for our catchment area and confirmed that Hastings falls well below the national average in a host of Key Performance Indicators related to sporting activity.

The objectives of all national sporting and health bodies include increasing participation in sport and physical activity.

The next stage is to obtain outline plans for 3 options, costings of the build, financial models and the possible funding available for those options. Next meeting is due in July.

Inset Days

ADVANCE NOTICE:

School will be closed on the following dates for Staff Training.

Friday 30th Sept 2016

Friday 7th October 2016

E-Safety

We would be really grateful if you could complete our e-safety survey on the E-safety page on the school website www.sandown.school

E-Safety is about the protection of children whilst they are using the internet and digital technologies. This includes risk taking and inappropriate behaviour by children and young people; risks and inappropriate behaviour by others to children and young people; illegal activity.

Whilst our school strives to empower your children with the knowledge to stay safe, it is important that you have a good awareness of the risks and dangers yourself.
