

Sandown Primary Sport Premium Report 2016-2017

STRATEGIC LEAD: Pete Brown

What is the Sports Premium?

The government is providing £160 million for the academic year 2016/17 to provide substantial new funding for primary school sport. Each school will receive £8,000 plus an extra £5 per pupil each year, which will mean Sandown will receive over £9700 for the academic year. Schools must spend the sports funding on improving their provision of PE and sport for the benefit of primary-aged pupils so that they develop healthy lifestyles. Schools have the freedom to choose how they do this.

Sandown School Sports Targets:

- 1 Improve subject knowledge and confidence in teaching P.E**
- 2 Improve the health and wellbeing of pupils/staff and parents**
- 3 To have outstanding extended school provision**

Proposed Expenditure

Resource	Cost
Partial funding of a healthy living coordinator	£5000.00
Membership of HRSGP	£2000.00
Additional clubs	£2775.00
Totals	£9775.00

<u>Improve subject knowledge and confidence within PE</u>	<u>Employ a healthy living coordinator</u>	Increased confidence for teachers teaching P.E.	To attend and support teachers through their planning and delivery of lessons. Monitor initial and end of term assessment videos of children's progress.	Healthy living coordinator discusses weekly planning with year groups and delivers feedback on how a lesson is benefitting their children and ways to adapt and improve lessons. End of Year Impact – children's progress was documented through video analysis. Pupils were then able to act on this during their lessons. Video evidence on system.	
	To improve the assessment of P.E.	Improvement in assessment data.	Evaluate the effectiveness of teacher input and provide support if necessary.	Teachers are successfully recording data of the initial and end phases of a topic. Teachers can assess accurately areas of and for improvement.	
	To hold staff meetings to support and advance teacher knowledge of P.E and how to assess.	Hold staff meeting to identify how to assess and what effective assessment looks like.	Clarify and discuss with teachers the national requirements and adapt or improve the curriculum to reflect this. Attend courses, through H&RSGP, monthly.	Teacher feedback has been positive. Teachers are more aware of what is expected of them during a lesson, the outcomes for the child and how to correctly assess and move on/consolidate learning where required. EOYI – During teacher observations, some teachers were using the video assessment to advance students knowledge and understanding.	
	To attend P.E courses held by H&RSGP.	To attend courses and feedback to staff on learnt	Provide 2 staff meetings throughout the year and	Two teaching staff attending teacher training with	

		material.	keep staff informed through discussions, where appropriate, on material learnt through courses.	H&RSGP and reproduced imaginative and creative warm up games that are now being incorporated in teachers' P.E lessons.	
	To provide staff meetings on current national targets and school aims for P.E through external training days.	Healthy living coordinator to liaise with P.E coordinator and deliver staff meetings on best practice for P.E lessons.	Staff meeting to be held before end of term 2 to identify current national curriculum aims for Sandown.	Very effective staff meeting held in December, outlining the school vision for P.E and how lessons should be structured. Misconceptions addressed.	
	<u>H&RSGP Membership</u> To train staff	Increase number of teaching staff who attend P.E training days.	Ensure staff have adequate time and knowledge of staff training to attend meetings.	Two teaching staff attended training day in December and then held staff meeting on their findings, which resulted in new and exciting practice for staff to teach to pupils.	
	To provide intra-school competitions.	Increase number of children/teams competing and qualifying for final competitions.	Evaluate the effectiveness and impact of staff training to teaching staff.	Positive feedback on PE coordinator training and NQT and teaching support staff training session days. Resulted in a change of curriculum for the school and improved game ideas for lessons.	
			Enter children for each competition and provide children with the necessary skills in which to compete.	Attended Tag Rugby, Football, Netball, and Athletics cluster competitions in term 1 & 2. Great deal of success in all. Cross country event competed by over 80 children. 15 finalists, of which 3 qualified for a further	Tag rugby equipment. New football and netball equipment.

	To increase coaching and guidance for teaching staff at Sandown.	Increase level of coaching from H&RSGP coaches provided to school.	Ensure sports coaches are able to visit school, where necessary, to provide support to teachers.	<p>event.</p> <p>EOYI – Sandown had their best finish in Tag Rugby, Netball, Football, Athletics and Cross Country competitions in the last six years.
