

Year 2 Home Learning Term 3 and 4

Please choose a project below to work on during Term 3 and 4. Children will be expected to present their home learning to the rest of the class during our home learning celebrations on the week beginning Monday 1st April 2019. Children need to focus on verbalising their home learning using the appropriate sentence structure, grammar and vocabulary. Please support them to practise their presentations at home. Your child will be awarded a gold, silver or bronze certificate in accordance with their presentation.

Topic Ideas – The Great Fire of London

Science

- Explore materials (waterproof vs non-waterproof)
- Floating and sinking experiment
- Investigating materials that allow light to travel through.
